ABOUT YOUR JUDGE

MISS RUTH LONGBOTTOM

I have been awarding Challenge Certificates in Weimaraner's for 13 years. Over this time, I have had the pleasure of awarding CCs 5 times, most recently at The North of England Weimaraner Society Championship Show.

I grew up around dogs, my parents initially had Cairn Terriers until being introduced to Weimaraner's in 1984.

I started showing Weimaraner's in 1990 with a puppy purchased from Stephen and Patsy Hollings' All Breed Top Winning Kennel, Gunalt. My birthday present, Grady, enjoyed an illustrious show career, gaining his title Sh Ch Gunalt Hedonist JW and winning a number of top accolades, CC's, Res CC's, and Group placings.

In 1994, my mother and I formed our own affix, 'Catruane.' Under our affix, we have been fortunate enough to produce several dogs that have done well in the show ring over the years. To date, we have owned, bred or shown 14 Weimaraner Show Champions.

In 2011 my good friend Diane Stewart-Ritchie persuaded me to campaign a gorgeous Irish Setter Bitch Puppy, Gwendariff Gonna Be Special. Daisy went on to become Ir Sh Ch Gwendariff Gonna Be Special JW and was Our Dogs Top Puppy 2011. Following on from her was Gwendariff The Catz Wiskers JW, who produced Sh Ch Gwendariff Unknown Soldier JW Our Dogs Top Puppy 2015, 4 CC's 6 Res CC's, & Gwendariff We'll RememberU JW. We then acquired Gwendariff Smart Red Jacket JW who was BPIS Irish Setter Breeders Club Champ Show 2019 & our most recent addition is Gwendariff We'll Be Phame Us.

I am feeling very excited and humbled to have been invited to judge The Irish Setter Breeders Club Open Show. I am looking forward to my days judging with immense pleasure and anticipation. Irish Setters have always held a very dear place in my heart for a great many years.

Ruth.

16. DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at K.C. licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dogs welfare.

WARNING: IF YOUR DOG IS FOUND TO BE A RISK, FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dogs health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not For Competition entries are accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to this Schedule except by permission of the General Committee of The Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
20. An exhibitor or competitor should ensure that contact details for any handler are available and must be provided upon request in any investigation of a breach of this regulation by such handler.

Many owners responsibly package their animal's waste. However, they then spoil this by leaving the packets all over the site. Please ensure that such packets are put into the bins provided for this purpose

HEALTH AND SAFETY

A nominated Safety Officer will be in attendance throughout the show. Exhibitors and spectators are reminded that just as the Irish Setter Breeders Club has responsibility to ensure the health and safety of all those attending their event, all those present have a duty and responsibility for their own safety. They are therefore expected to take the greatest care to avoid all uneven surfaces, guy ropes, and other hazards, which are inevitable and an integral element of a dog show. Those bringing and using portable items of equipment such as folding chairs, trolleys, cages and grooming tables also have a responsibility to ensure that their tools, equipment and collapsible furniture is used and erected safely and does not constitute a hazard to others. Exhibitors are also reminded that they should wear appropriate clothing and footwear for the prevailing conditions on the site. Exhibitors show at their own risk, if conditions are not ideal or are unsafe, they may withdraw their dogs from classes.

ELECTRICAL EQUIPMENT

All electrical equipment **MUST** be PAT tested with an up-to-date certificate. Any exhibitor wishing to use an electrical appliance e.g. hairdryer, must seek the permission of the building's landlord and **MUST** produce a current PAT label attached to the appliance, to the Show Manager, otherwise the equipment will be removed by members of the committee and returned at the end of the show.
